On 2/14/2025 I reviewed this case as the third Board member. I determined my assessment would be NOT GRANT due to 1)Seriousness of the circumstances and offense, 2) Crimes committed (murder), and 3) Your prior failures and/or convictions while under community supervision indicate that you are unlikely to comply with conditions of release. System errors prevented me from formally entering my vote in CORIS. Lloyd Banks, Vice Chair.

On 2/14/2025 I reviewed this case as the third Board member. I determined my assessment would be NOT GRANT due to 1) Seriousness of the circumstances and offenses, and 2) Release at this time would diminish seriousness of crime. CORIS system errors prevented me from formally entering my vote . Lloyd Banks, Vice Chair.

Third Board Member Vote

On February 27, I reviewed this case as the third Board member. I determined my vote is "Not Grant" for the following Reasons: Serious nature and circumstances of your offenses; Crimes committed - 1st degree murder; Release at this time would diminish the seriousness of your crime; Your prior history of failures on probation and parole; The Board concludes you should serve more of your sentence prior to release on parole (has served approx. 7 years on life sentence).
 A CORIS issue prevented me from recording this third vote officially through the CORIS system. PLWest
