On 3/3/2025 I reviewed this case as the third Board member. I determined my assessment would be NOT GRANT due to 1) Serious nature and circumstances of your offense, and 2)The Board concludes that you should serve more of your sentence prior to release on parole. CORIS system errors prevented me from formally entering my vote. Lloyd Banks, Vice Chair.

Third Board Member Vote

After careful review for parole consideration, I vote to not grant for the following reasons: 1- considering your offense and your institutional records, the Board concludes that you should serve more of your sentence prior to being paroled 2- you need a longer period of stable adjustment 3- release at this time would diminish the seriousness of the crime [- Parole Board – 03/03/2025] Michelle Dermyer

Third Board Member Vote

I reviewed Mr. Brown's case on 3/4/25 as the third person considering parole for this inmate. After my review, I am voting "not grant" for the following reasons: Considering your offense and your institutional records, the Board concludes that you should serve more of your sentence before being paroled; Serious nature and circumstances of your offense; Release at this time would diminish seriousness of crime; Crimes committed - 1st Degree Murder. A problem with CORIS prevented me from voting normally, but I am voting as the third member of the Board considering parole for Mr. Brown. [- Parole Board - 03/04/2025]

Third Board Member Vote

On 3/7/2025 I reviewed this case as the third Board member. I determined my assessment would be NOT GRANT due to 1) Serious nature and circumstances of your offense, 2) Extensive criminal record, and 3) Your prior failure(s) and/or convictions while under community supervision indicate that you are unlikely to comply with conditions of release. CORIS system errors prevented me from formally entering my vote. Lloyd Banks, Vice Chair.

Third Board Member Vote

On March 10, 2025 I reviewed the Parole Board Summary Report for this inmate and after that review, I vote to recommend a "not grant" parole for the following reasons: Release at this time would diminish seriousness of crime; Serious nature and circumstances of your offense(s); The Board concludes you should serve more of your sentence prior to release on parole. I am voting through CORIS notes as the third Board vote on this case, because a glitch with CORIS is preventing me from voting in the way that is typical. [- Parole Board - 03/10/2025] Patricia West

Third Board Member Vote

After careful review for parole consideration I vote to not grant for the following reasons: 1- release at this time would diminish the seriousness of the crime, 2- other- the Board reviewed case under juvenile guidelines and encourages you to enroll in crime specific programming, 3- considering your offense and your institutional record, the Board concludes that you should serve more of your sentence prior to your release [- Parole Board - 03/11/2025] Michelle Dermeyer

Third Board Member Vote

On March 22,2025, I reviewed Mr. Wade's file for potential release to discretionary/geriatric parole as a third reviewer. I am voting "not grant" for the following reasons: Crimes Committed (1st degree murder, robbery, weapons offenses); Serious nature and circumstances of your offenses; Release at this time would diminish the seriousness of crime; The Board concludes you should serve more of your sentence prior to release. I am entering this vote as the third official vote, but because of an issue with CORIS, I am entering this manually in the notes on March 22, 2025. [- Parole Board - 03/22/2025, Patricia West

On 3/19/2025 I reviewed this case as a Board member. I determined my assessment would be NOT GRANT due to 1) The Board concludes that you should serve more of your sentence prior to release on parole, and 2) No interest in parole. CORIS system errors prevented me from formally entering my vote. Lloyd Banks, Vice Chair.

Third Board Member Vote

On 3/24/2025 I reviewed this case as the third Board member. I determined my assessment would be NOT GRANT due to 1) Release at this time would diminish seriousness of crime, and 2) The Board concludes that you should serve more of your sentence prior to release on parole. System errors prevented my formal entry in the usual means. Lloyd Banks, Vice Chair.

On 3/31/2025 I reviewed this case as the third Board member. I determined my assessment would be NOT GRANT due to 1) Release at this time would diminish seriousness of crime, 2) The Board concludes that you should serve more of your sentence prior to release on parole, and 3) No interest in parole. Third Board Member Vote

On 3/31/2025 I reviewed this case as the third Board member. I determined my assessment would be NOT GRANT due to 1) Serious nature and circumstances of your offense, and 2) Release at this time would diminish seriousness of crime. System errors prevented me from formally entering my vote in CORIS. Lloyd Banks, Vice Chair.
