Top 10 Grant Reasons		Top 10 Not Grant Reasons	
Demonstrated rehabilitation Stable Release Plan Release is compatible with public safety Excellent institutional adjustment Infraction free for at least the last 24 months Medical condition Successful participation in correctional and vocational programs Significant Community Support Risk assessment score low Age at the time of the offense		Serious nature and circumstances of your offense(s). Release at this time would diminish seriousness of crime The Board concludes that you should serve more of your sentence prior to release on parole. Extensive criminal record Your prior failure(s) and/or convictions while under community supervision indicate that you are unlikely to comply with conditions of release. History of substance abuse. History of violence. Considering your offense and your institutional records, the Board concludes that you should serve more of your sentence before being paroled. No Interest in Parole You need further participation in institutional work and/or educational programs to indicate your positive progression towards re-entry into society.
