Third Board Member

On 4/4/2025 I reviewed this case as the third Board member. I determined my assessment would be NOT GRANT due to 1) Serious nature and circumstances of your offense, 2) Release at this time would diminish seriousness of crime, and 3) The Board concludes that you should serve more of your sentence prior to release on parole. CORIS system errors prevented me from formally entering my vote. Lloyd Banks, Vice Chair. [- Parole Board - 04/04/2025

Third Board Member Vote

After careful review for parole consideration, I vote to not grant for the following reasons: 1- release at this time would diminish the seriousness of the crime, 2- considering your offense and your institutional record, the Board concludes that you should serve more of your sentence prior to release on parole, 3- other- your 2024 infraction is concerning to the Board [- Parole Board - 04/07/2025] Michelle Dermyer

Upon completion of that review, I have determined parole is not appropriate at this time for the following reasons: Crimes committed; Serious nature and circumstances of your offense(s); Release at this time would diminish seriousness of crime; The Board concludes that you should serve more of your sentence prior to release on parole. I am making this finding and vote as the third VPB member to vote on this case as policy requires.
